

Your results, a sign of success

« ... We were impressed by the quality of the candidates we met as well as the service we were offered. Moreover, we recruited our general manager in a very reasonable amount of time. We truly appreciated our business relationship and we would not hesitate to use your professional services again in the event we need another executive search.»

Chairman of the Board of Directors

Hospital Foundation

« ...Your professionalism, combined with your in-depth knowledge of the market, enabled us to fill certain key positions within our organization efficiently and adequately. Moreover, we were very impressed by the quality of the talented candidates we met... »

President and CEO

Large Corporation, High Technology Sector

« ...we are completely satisfied with respect to the manner in which you handled the dozen senior and intermediate executive search mandates we assigned you over the past year. These mandates were completed while our company was experiencing significant growth and your concern for meeting our needs was always sincerely appreciated. I would personally like to thank you for your excellent work. »

Vice-President, Human Resources

Large Corporation, Service Sector

« ...your professional efficiency enabled us to fill certain strategic and critical positions within our company in an exceptional manner. It is obvious that you wish to maintain our partnership with your consulting firm, which satisfies our rigorous selection criteria »
